### WORK EXPERIENCE

#### Freelance : 2019 to today

From the beginning of my career, I started working as a freelancer with a range of different clients who allowed me to learn in many different fields, thus broadening my skills.

#### Fauget Marketing : 2020 - 2022

For two years, I was part of the writing creatives team at Fauget, where I created highly successful content strategies for several of the company's clients, putting creativity, innovation and strategy into practice.
